

RUGGED CASE STARK

DUST-, DIRT- & WATERPROOF

The ultimate case for the most extreme uses. Whether in the leisure or in the professional sector, the Active Pro STARK series is indestructible, waterproof and highly durable. Perfect for the toughest jobs and most exciting adventures.

- ✓ Indestructible: Perfect for any craftsman or athlete who needs to expose his tablet to extreme conditions
- ✓ Waterproof according to IP68 standard (30 minutes waterproof up to a maximum depth of 2 meters)
- ✓ Military standard: Resists falls from a height of up to 2 meters
- ✓ Stable and twist resistant polycarbonate housing
- ✓ Also protects against sea water
- ✓ Touch screen stays fully functional
- ✓ Full functionality of camera, sensors, speakers and microphone thanks to accurately fitting cut-outs with a water and dust proof membrane
- ✓ Mechanical buttons on the side of the case guarantee full usability of the tablet buttons like e.g. Volume Up/Volume down
- ✓ Carrying strap for easy transport
- ✓ Compatible to the Active Pro mount system (sold separately)
