

SOUNDSPLIT

AUDIO SPLITTER

2play

Perfect for smartphones that only have one port that serves as both a charging and a audio connector. The 4smarts SoundSplit enables you to charge your phone and listen to music at the same time.

- ✓ Can be used to make phone calls and record voice messages via connected headsets
- ✓ Connect a charger and e.g. a headset to your phone simultaneously
- ✓ Braided cable sleeve made out of a durable cotton fabric for an extra layer of protection
- ✓ Robust metal coated connectors
