EPOS

BTD 800 USB-C

Professional audio, ergonomic design

Connect any EPOS Bluetooth® audio device quickly and easily to your PC or Mac and tablet via a harmoniously designed USB-C dongle. The universal connector simplifies busy workdays and superior audio and voice quality sets you up for success.

Forget about complicated technical installation and enjoy functionality at your fingertips. The ergonomic, horizontal design is both appealing and practical – easy to grab and plug in as you switch between devices. Moreover, you needn't be chained to your desk thanks to wireless freedom of up to 25m/82ft away from your device.

Maximize the potential of your Unified Communications with a high-end solution that enables UC optimization and an integrated Microsoft Teams experience via headsets with a dedicated MS Teams button – for productive meetings with rich, natural sound.
