

# FAST WALL CHARGER SET iPD

CHARGE IPHONES & IPADS AT MAXIMUM SPEED

*2charge*

Charge your iPhone more than 3 times faster compared to the supplied mains charger. This set consists of a wall charger and a charging cable that both support Power Delivery. In this way, you can finally unlock the full fast charge potential of your iPhone.

## Wall charger

- ✓ Charges your iPhone X, 8 or 8 Plus super fast thanks to USB Type-C and Power Delivery
- ✓ 50% charged in only 30 minutes
- ✓ Also capable to fast charge iPads
- ✓ Intelligent charging shutdown reduces the current consumption and sustains the battery lifetime
- ✓ Power connection supplies 100-240V for worldwide use
- ✓ Output USB-C (PD): DC 5V/3A, 9V/2A, 12V/1.5A (18W)

## Charging Cable

- ✓ Durable, cotton fabric covered cable makes the handling comfortable
- ✓ Built in Power Delivery chip for the automatic negotiation of the needed output
- ✓ Supports fast charging
- ✓ Connectors: USB Type-C to Lightning
- ✓ Length: 1m
