## COMPLETELY NEW - COMPLETELY MODERN

The new Jamo Studio 8 series has been reimagined to live seamlessly in modern, premium environments. Contemporary material and finish choices accentuate the clean, minimalist lines of this European design.

The S 801 PM powered monitors feature these aesthetics, including fully magnetic grilles – no mounting holes or push pin to provide a clean, minimalistic front baffle design, while the large woven linen grille cloth creates visual interest with heavy texture.

## MAGNETIC GRILLES

Fully magnetic grilles – no mounting holes or push pins – for a clean, minimalistic front baffle design, while the large woven linen grille cloth creates visual interest with heavy texture.

## ORGANIC FEATURES

Wood accents give the S 801 PM speakers a handcrafted, natural look. Fit them into any space with ease.
